

To Whom It May Concern:

On June 14th 2005, my husband and I had our house painted by College Works. The results were outstanding! We were impressed not only how quickly our house was painted but also by the professionalism and perfectionist supervision of ~~John~~ but by the great attitude of friendly hardworking team painters Ben Knudsen and Jeremy Maneja as well. I confidently recommend College Works if you are considering painting your house in the future.

Sincerely,
